NOORNA held it Annual Conference in Sault Ste Marie September 2008. It comprised of a social event on the Friday evening followed by a day of educational sessions on the Saturday. Even though attendance was less than previous years, members from across Northern Ontario attended.

At present NOORNA has 34 members at present. A draw was held in late winter and two members are being sponsored by NOORNA to attend the ORNAC Conference in St. John's Newfoundland. In addition Karen Storey of NOORNA is the Medline Contest winner of an all expenses paid conference. Look for these members for they will be donning the NOORNA logo on kitchen aprons for the Tuesday Evening Social event ***A Scoff, A Scuff and a Swalley***

This years Annual Conference is being held in Parry Sound on Sept 18th and 19th at the CNIB Camp. We are hoping to increase our membership during this event with the cost of the conference remaining at \$40.

Respectfully submitted,

Sandra Carriere, RN, CPN(C)
