- July 08 - Annual Summer Pot Luck and Membership Drive held in Lindsay at the lovely country home of Bonnie Patterson. We had a wonderful variety of food and networking. It was very well attended.
- September 08 – Hosted by the Peterborough Regional Hospital. We had a guided tour of their new state of the art hospital facility and surgical suites.
- November 08 – Annual fall dinner meeting hosted by Port Perry and held at the popular Ocala Winery. Great Food and wine tasting were enjoyed by many members despite a winter snow storm.

- March 09 - Hosted by Lakeridge Health - Oshawa. They shared a power point presentation they produced to help prepare their staff for accreditation.

ORNASCO did not hold a Fall Conference this year due to poor attendance at last years conference. We decided to give it a rest for last year and revisit the idea for the fall 2009.

At our May meeting we will be holding elections for the positions of Secretary and Treasurer/Membership.
