We were fortunate enough to be able to send 5 members to AORN 2008, Anaheim, California and 10 members to the upcoming ORNAO 2008 Provincial Conference, Toronto, Ontario. One of our 5 scholarships was awarded at the June 2008 AGM Dinner and Elections. The recipient is presently enrolled in the RNFA program and has been a perioperative nurse for a number of years both here in Ontario and overseas.

Along with the June AGM Dinner & Elections came the time to say good-bye to the following executive members: Sharon Gabriel, Past President; Cheryl Day, Treasurer; Rosina Gembe, Marketing Coordinator; Bernadette Chiu, Programme Committee and Charlie Byer, Programme Committee. I had the pleasure of working with a fantastic group of perioperative nurses, who both motivated and inspired me, and I hope all of them well with their future endeavors.

Respectfully submitted,

Linda Whyte RN
ORNGT President
