Conference(s):

SCORNA's First Annual Fall Conference is being held Friday September 5th, 2008 in Kenora, Ontario. Colleen Landers RN will be our main presenter. We will be extending an invitation to MORNA and LORNA. We also will be extending an invitation to the Central Processing staff in our respective hospitals.

A Wine and Cheese is planned for the evening before to allow members to network.

We hope to have good attendance, as we have arranged with the surgical network to move their RSN meeting to same day.
